Faithful With Much

At a Wednesday evening church meeting a very wealthy man rose to give his testimony. "I'm a millionaire," he said, "and I attribute it all to the rich blessings of God in my life. I can still remember the turning point in my faith, like it was yesterday. I had just earned my first dollar and I went to a church meeting that night. The speaker was a missionary who told about his work. I knew I only had a dollar bill and had to either give it all to God's work or nothing at all. So at that moment I decided to give my whole dollar to God. I believe that God blessed that decision, and that is why I am a rich man today."

As he finished it was clear that everyone had been moved by the man's story. But, as he took his seat, a little old lady sitting in the same pew leaned over and said "Wonderful story! I dare you to do it again!"
